

Benefits of Direct Deposit

With direct deposit you will be reimbursed as soon as your claim is processed, which means you will never have to wait for a cheque to arrive in the mail again.

If you haven't already signed up for our **Symbility Health Claims Portal** please do so. Once registered for the online portal you will be notified via email every time one of your claims is processed and your benefit payment(s) will be directly deposited into your bank account. There are **NO COSTS** involved with this feature.
